

BUILDING FOR TOMORROW WITH QUALITY TODAY

Atlantic Builders Group is one of the largest construction organizations headquartered in Baltimore and has provided award winning general contracting, design build and construction management services since 1962. The company has been owned entirely by its employees since 1989.

Atlantic Builders Group's experience includes office, technology, manufacturing, distribution, health care, college, retail, religious, hospitality, senior housing and public safety projects. These projects have ranged in size from \$20 million to minor interior renovations for clients that include local companies, private and public institutions and national developers, corporations and retailers.

Each year many of our projects are recognized by organizations such as Associated Builders and Contractors (ABC), Building Owners and Managers Association (BOMA), National Association of Industrial and Office Parks (NAIOP), and the Building Congress and Exchange for Excellence in construction.

Atlantic Builders Group's bonding capacity is \$100 million and our Dun & Bradstreet rating is one of the highest for a construction company our size.
